THE MUNDANE

EXPERIENCE

Whenever you roll and get a total of 6 or less, or when a move tells you to, mark an experience box.

Experience:

MOVES

You get all the basic moves, plus pick three Mundane moves:

☐ Always The Victim: When another hunter uses
protect someone to protect you, they mark expe-
rience. Whenever a monster captures you, you mark
experience.
Oops! If you want to stumble across something
important, tell the Keeper. You will find something
important and useful, although not necessarily
related to your immediate problems.
Let's Get Out Of Here! If you can protect someone
by telling them what to do, or by leading them out,
roll +Charm instead of +Tough.
Panic Button: When you need to escape, name the
route you'll try and roll +Sharp. On a 10+ you're out
of danger, no problem. On a 7-9 you can go or stay,
but if you go it's going to cost you (you leave some-
thing behind or something comes with you). On a
miss, you are caught halfway out.
☐ The Power of Heart: When fighting a monster, if
you help someone , don't roll +Cool. You automat-
ically help as though you'd rolled a 10.
☐ Trust Me: When you tell a normal person the
truth in order to protect them from danger, roll
+Charm. On a 10+ they'll do what you say they
should, no questions asked. On a 7-9 they do it, but
the Keeper chooses one from:
They ask you a hard question first. They are the state of the st
They stall and dither a while.
They have a "better" idea.
On a miss, they're going to think you're crazy and

maybe dangerous too.

- ☐ What Could Go Wrong?: Whenever you charge into immediate danger without hedging your bets, hold 2. You may spend your hold to:
 - Inflict +1 harm.
 - Reduce someone's harm suffered by 1.
 - Take +2 forward on an **act under pressure** roll.

Don't Worry, I'll Check It Out: Whenever you go off by yourself to check out somewhere (or something) scary, mark experience.

INTRODUCTIONS

When you get here, wait for everyone to catch up so you can do your introductions together.

Go around the group. On your turn, introduce your Mundane by name and look, and tell the group what they know about you.

HISTORY

Go around the group again. When it's your turn, pick one for each of the other hunters:

- You are close relations. Tell them exactly how you're related.
- Initially rivals, you both now respect each others' talents.
- Romantically involved, or you just have a crush on them. Ask them which they prefer.
- They're your hero, exactly the kind of monster hunter you aspire to be. Tell them why you worship them.
- Good friends. Tell them if it's from way back, or recently.
- You're a bit suspicious of them (maybe due to their unnatural powers or something like that).
- They introduced you to the existence of monsters. Tell them how you feel about that.
- You saved their life from a monster due to an unlikely chain of events. Tell them what.
